Re: Written Ex Parte Communication, WC Docket
07-245

Dear Ms. Dortch:

On May 5, 2010, on behalf of Sunesys, LLC ("Sunesys"), I met with Henry Gola, legal advisor for Commissioner Baker. During that conversation, I discussed Sunesys' view, consistent with the National Broadband Plan, of the need for timelines in connection with the issuance of pole attachments. I further discussed Sunesys' view that the Commission should impose timelines for survey and make-ready work that are similar to those imposed in New York. I also discussed the need to ensure that the telecom and cable rate are equivalent, as the vast majority of providers pay the cable rate, yet Sunesys is saddled with paying the much higher telecom rate.

Respectfully submitted,

Alan G. Fishel
